FlexPM: PROJECT MANAGEMENT ► DONE DIFFERENTLY

Siecap's FlexPM provides adaptable project management support tailored to your business needs—whether you need a light touch, a part-time engagement, or full-time embedded capability.

STEP 1 PROJECT DEFINITION

- **Scope & Structure:** We help define the scope and work plan, simplifying complexity
- **Budget & Schedule:** We develop work, cost and timelines to ensure outcome certainty
- **Risk:** We identify and manage risk to prevent delays or cost overruns.
- **Governance & Reporting:** We provide visibility on progress, key issues and decision accountability
- **Objective:** We help set the project up for success before entering the **Delivery** phase

STEP 2 PROJECT DELIVERY

Three flexible options:

LITE

CORE

MAX

Why Choose FlexPM?

- **Experience:** Senior personnel, proven success in complex projects
- **Flexibility:** Choose and adjust resourcing:

LITE – as needed

As needed, temporary short-term support for peak periods or specific tasks

CORE – part time

Ongoing, fractional support to fill capability gaps or supplement teams

MAX – full time

Dedicated, embedded project management for end-to-end delivery

- **Pricing:** Choose either fixed fee or time & materials so there are no surprises
- **Independence:** Objectively run with no bias or agenda
